exhibition quality frames and picture mounts

Edition 1

Cadremont are engaged in the manufacture of high quality picture frames and computer generated bevel cut mounts. With over 20 years experience in the industry our skilled team are committed to producing the best quality mounts and frames available.

Our state of the art mountcutters allows us to produce customer orders with unrivalled accuracy and efficiency with rapid secure despatch.

We stock a wide range of frames to enhance your photography for both yours and your customers benefit.

All mountboard supplied is white core as standard with extra thick mounts 2.6mm available together with V Grooves, fillets, pin stripe mounts and ribbon mounts.

Our online ordering system www.cadremont.co.uk is easy and secure allowing our registered customers to place their orders confident that our highly competitive prices, exhibition quality products and safe and efficient delivery guarentees complete customer satisfaction.

Support is available on our helpline as well as on our website so all customers are fully informed on all our products.

700 ATG Dispenser

Designed to take big 3M 55m/120' rolls of 924 ATG tape. The gear system helps prevent gumming up and makes it easier to load.

This system is ideal for picture framing, card making, presentations, structure of layered mounts, adding dust covers, keeping spacers in place etc. and just about anywhere a strong double sided tape is needed.

Eco Tape

Available in three sizes

25mm

35mm

50mm

Each roll is 50m in length

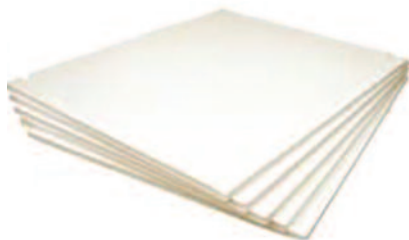

Supplied in packs of 5 rolls

ATG Tape

Double sided tape rolls
for use with ATG Dispenser

Supplied in packs of 5 rolls

White Backing Boards

1400 microns in thickness, Cadremont Backboards are of a superior quality, greater durability, and are acid free and a pure white core.

Supplied in packs of 10 boards

Acetate Bags

Acetate Bags and Hangers

Available for all sizes

Supplied in packs of 10 bags
